

## **About UltraTouch™**

UltraTouch™ Denim Insulation, manufactured by Bonded Logic, is the successful combination of 35 years of insulation experience and a revolutionary patented manufacturing process that has created a superior and safe product.

UltraTouch™ is made from high quality natural fibers. These fibers contain inherent qualities that provide for extremely effective sound absorption and maximum thermal performance. UltraTouch™ DOES NOT ITCH and is very easy to handle and work with. UltraTouch™ contains no chemical irritants and requires no warning labels compared to other traditional products. There are no VOC concerns when using UltraTouch™, as it is safe for you and the environment. UltraTouch™ is also a Class-A Building Product and meets the highest ASTM testing standards for fire and smoke ratings, fungi resistance and corrosiveness. UltraTouch™ contains 90% post-consumer recycled natural fibers, making it an ideal choice for anyone looking to use a high quality sustainable building material. By installing UltraTouch™, you are making both your building and the environment a safer place to live, work, and enjoy.
